

General Engineering Contractor
License No. 754676

ALL QUALIFIED AND/OR CERTIFIED SAN FRANCISCO LBE Subcontractors, Truckers and Material/Equipment Suppliers are requested to forward bids/quotes for the following Project to Mitchell Engineering:

The Embarcadero/Drumm & Jackson Streets Sewer Improvements
Contract No. WW-657

Mitchell Engineering also encourages other subcontractors to bid this project and utilize LBE Firms through second tier subcontracting, owner-operated equipment or purchase of materials and supplies.

The project is also subject to have all subcontractors and trucking firms listed in the bid with a DIR Number.

Work objective of the project is to rehabilitate the North Shore Force Main, the Jackson Street Box Sewer and the Drumm Street Box Sewer. Work is installing additional steel reinforcement and spray mortar within existing concrete box sewers and rehabilitate by sliplining and replacement of a portion of the North Shore Force Main on the Embarcadero and installation of a new valve vault and all associated work.

Mitchell Engineering request sub proposals in the format of the bid form for the following trades:
