

General Engineering Contractor  
License No. 754676

ALL QUALIFIED AND/OR CERTIFIED **SAN FRANCISCO LBE** and SFPUC LBE Subcontractors, Truckers and Material/Equipment Suppliers are requested to forward bids for the following Project. We also encourage subcontractors submitting quotes to utilize other LBE firms. This may be done through second tier subcontracting, owner-operated equipment, or purchase of supplies.

**MOCCASIN PENSTOCK REHABILITATION – CONTRACT NO. HH-990**

**The project is subject to have all Subcontractors & Trucking Firms listed in the bid with a DIR Number.**

Work objective for this project is to rehabilitate portions of Moccasin Penstock by replacing steel pipe sections, encasing concrete anchor blocks, recoating penstock portions and installing an electric valve actuator. The work is to be performed in Tuolumne, CA.

Mitchell Engineering request sub, trucking & material proposals in the format of the bid form for the following trades:

- |                                |                         |                                 |
|--------------------------------|-------------------------|---------------------------------|
| -Concrete                      | -Concrete Reinforcement | -Waterproofing                  |
| -Concrete Supply               | -Concrete Forming       | -Thermal & Moisture Control     |
| -Concrete Delivery and Pumping | -Surveying              | -Coating of Metallic Structures |
