S.J. Amoroso Construction Co., Inc. is bidding the above referenced project. We are actively pursuing compliance with the LBE/DBE/WBE/MBE business goals and would appreciate your bid on this project.

PROJECT DESCRIPTION: The objective of the project is to construct a new recycled water treatment facility and transmission pump station at the Oceanside Plant to produce and deliver an annual average of approximately 1.6 million gallons per day (mgd) of recycled water for irrigation and other non-potable uses on the western area of the City. The treatment process includes membrane filtration, reverse osmosis treatment, and ultraviolet (UV) light disinfection. The work includes the construction of a new multi-story reinforced concrete building to house the new equipment, new electrical substation, the construction of a secondary effluent pump station within the existing Oceanside Plant, a new transmission pump station, associated mechanical piping, utilities relocation, demolition and reconfiguration of the existing chemical storage room, and other associated work to provide a fully functional treatment and pumping system.

Interested bidders are encouraged to attend a pre-bid and contractor networking conference to be held at Main Conference Room in Administration Building at the Oceanside Water Pollution Control Plant, 3000 Great Highway, San Francisco, CA 94132 at 10AM on January 25, 2017.

We are willing to break out certain portions of work into smaller increments in order to allow smaller companies a fair opportunity to bid this project and are prepared to assist subcontractors with bonding, credit, and insurance. Plans are available for viewing in many local builders exchanges (for a list of builders' exchanges contact our office). Hard copy versions of plans, specifications and bidding documents are available at 525 Golden Gate Avenue, 1st Floor, Customer Service Desk, San Francisco, CA 94102 for a nonrefundable \$300 fee paid by cash or by check payable to "SFPUC." Call (415) 551-4603 for further information. A CD version is available to paid Planholders only for an additional fee of \$10. To obtain an electronic set free of charge, please contact Travis Matheson, tmatheson@sjamoroso.com.

S.J. Amoroso Construction Co., Inc. (Amoroso) may require subcontractors to provide 100% Payment & Performance Bonds, from a California admitted surety with an AM Best rating of A-VII or better, as a condition of contract. Amoroso is signatory to the Carpenter's Collective Bargaining Agreement. Amoroso strongly encourages the use of qualified M/W/D/O/S/DVBE subcontractors and vendors. Please include the use of qualified M/W/D/O/S/DVBE suppliers and lower tier subcontractors where applicable. It is the subcontractor's responsibility to review the Owner's General and Special Conditions for this project, as they will be binding. Subcontractors will also be required to execute Amoroso's standard Subcontract Agreement and comply with Amoroso's standard insurance requirements, both without modification, should we both be awarded this project. These documents can be found on our website, www.sjamoroso.com. Amoroso's listing of a subcontractor is not to be construed as an acceptance of all of the sub's conditions or exceptions included with the price quote. Per California Labor

Code 1771.1: A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. Provide CA License & DIR Certification Numbers with proposals.

WE ARE AN EQUAL OPPORTUNITY EMPLOYER.
