

General Engineering Contractor
License No. 754676

ALL QUALIFIED AND/OR CERTIFIED SAN FRANCISCO LBE Subcontracting Participation Requirement is 8% and ONLY San Francisco (Local) Small & Micro-LBE's can be utilized to meet this requirement, no SFPUC LBE's (Firms certified by SF Contract Monitoring Division). Truckers and Material/Equipment Suppliers are requested to forward bids for the following project. We encourage subcontractors quotes to utilize other LBE firms through second tier subcontracting, owner-operated equipment, or purchase of materials. This also includes requests for Non-LBE sub/material quotes from qualified subcontractors, trucking firms and material suppliers for the

As Needed Spot Sewer Replacement No. 38

Contract No. WW-686 – February 28, 2019

The project is also subject to have all subcontractors listed in the bid with a DIR Number.

The objective of the project provides contingency-based as-needed replacement of sections of existing sewer pipelines on short notice at locations to be determined within the City and County of San Francisco. The work is to be performed in San Francisco, CA and consists of pavement renovation, concrete, sewer replacement, environmental and television inspection, traffic control and all associated work.
