

General Engineering Contractor  
License No. 754676

**ALL** QUALIFIED AND/OR CERTIFIED **SAN FRANCISCO LBE** Subcontracting Participation Requirement is 22%. SFPUC-LBE's cannot be utilized. Truckers and Material/Equipment Suppliers are requested to forward bids for the following project. We encourage subcontractors quotes to utilize other LBE firms through second tier subcontracting, owner-operated equipment, or purchase of materials.

**16<sup>th</sup> Street Improvement Project**

**Contract No. 1313R**

**Addendum 6, Bid Date Changed to 10/29/2020**

**The project is also subject to have all subcontractors listed in the bid with a DIR Number.**

The scope of the 16th Street Improvement Project includes upgrading and installation of the overhead contact system (OCS) and traction power infrastructure. In addition, transit bulbs and transit boarding islands will be constructed to enable more efficient passenger boarding and alighting. Pedestrian bulbs, raised crosswalks, and curb ramps will be constructed to enhance pedestrian safety. Traffic signals and traffic signal communication infrastructure will also be added or upgraded. Other project scope includes streetscape, streetlight, landscape, and roadway rehabilitation improvements. Some relocation of Water utilities will also be included in this project to accommodate construction of pedestrian and transit bulbs.

Mitchell Engineering will be bidding as a Prime and requests Subcontractors/Vendors and Trucking proposals in the format of the bid form for the following:

- |   |   |
|---|---|
| - Traffic Control                                     | - Landscaping – Inc. trees & tree removal |
| - Grinding and Paving                                 | - Electrical                              |
| - Traffic Signals & Traffic Signal Communication      | - Survey                                  |
| - Bike Racks  | - Trucking                                |
| - Concrete Curb/Gutter/Ramps-detectable Surface Tiles | - Street Lighting                         |
| - Overhead Special Work                               | - Steel Poles                             |
