

General Engineering Contractor

License No. 754676

ALL QUALIFIED AND/OR CERTIFIED **SAN FRANCISCO LBE** Subcontracting Participation Requirement is 22%. SFPUC-LBE's cannot be utilized. Truckers and Material/Equipment Suppliers are requested to forward bids for the following project. We encourage subcontractors quotes to utilize other LBE firms through second tier subcontracting, owner-operated equipment, or purchase of materials.

16th Street Improvement Project
Contract No. 1313R1
Bid Date August 12, 2021

The project is also subject to have all subcontractors listed in the bid with a DIR Number.

The scope of the 16th Street Improvement Project includes upgrade and installation of the overhead contact system (OCS) and traction power infrastructure. In addition, transit bulbs will be constructed to enable more efficient passenger boarding and alighting. Pedestrian bulbs and curb ramps will be constructed to enhance pedestrian safety. Traffic signals and traffic signal communication infrastructure will also be added or upgraded. Other project scope includes streetscape, streetlight, landscape, and roadway rehabilitation improvements. Some relocation of Water Utilities will also be included in this project to accommodate construction of pedestrian and transit bulbs.

Mitchell Engineering will be bidding as a Prime and requests Subcontractors/Vendors and Trucking proposals in the format of the bid form for the following:

- Traffic Control, changeable Message Sign
- Grinding and Paving
- Traffic Signals & Traffic Signal Communication
- Valve boxes & Covers, Gate Valves,
