

General Engineering Contractor
License No. 754676

Mitchell Engineering is looking for bid proposals for subcontractors, truckers and material/equipment suppliers for the following project which will be contracted through the Delta Diablo District. Each Bidder shall be licensed in accordance with the provisions of the Contractor's License Law of California.

Bridgehead Pipeline Replacement Project, No. 21123
Bid Date August 5, 2021

The project is also subject to have all subcontractors listed in the bid with a DIR Number.

The project is located in Antioch area and is to replace a leaking 18" ductile iron pipe located on the north side of the Wilbur Avenue Bridge, which is located above two BNSF (Burlington Northern Santa Fe) railroad tracks. There is a temporary HDPE pipeline located primarily above grade on the north side of the westbound lane of the bridge which must remain in service during construction.

Mitchell Engineering will be bidding as a Prime and requests Subcontractors/Vendors and Trucking proposals in the format of the bid form for the following:

- Traffic Control, experience in train crossings
- Manholes, Frames & Covers
- Valves and appurtenances
- Piping Materials inc. Ductile Iron & Steel

The project plans and specifications are available by calling Mitchell Engineering 415/227-1040 and asking for Scott

Bid Date is 2:00 pm on August 5, 2021.

IN ORDER FOR PROPOSALS TO BE CONSIDERED, THEY MUST BE RECEIVED NO LATER THAN 11:00 a.m. on August 5, 2021 at Mitchell Estimating Department

Please respond with an email with your intent to bid the project. We welcome all questions.
