

W.E. LYONS CONSTRUCTION COMPANY
is seeking DVBE Qualified Sub-Contractors on the following Project

Project: Chiller Replacement Fremont (DGS)

Project #: 9478

Bid Date: 01/14/2026 @ 2PM

Estimated Cost: \$1,461,300

General work description: Project comprises labor, material and services necessary for: Major components of Project Work consist of in-kind replacement for the majority of the central chiller water system which includes: two water cooled chillers, a refrigerant monitoring panel, two chiller water pumps, expansion tank, air separator, chemical pot feed, and selective replacement of chiller water piping to the new equipment. New equipment will not require new concrete pads as they will be mounted on their existing pad. The condenser water chemical treatment system will be replaced by a solid chemical water treatment system.

W.E. Lyons Construction is requesting quotes from all qualified subcontractors and suppliers including certified DVBE firms for the following items of work, including, but not limited to: HVAC and electrical.

Plans and specifications are available in W.E. Lyons Dropbox at: [Plans and Specs](#)

If you have any questions, please contact Nick Gooding or email at ngooding@welyons.com. All quotes should be sent via email to estimating@welyons.com.

Requirements:
