

Mar Con Builders is bidding as a “ General Contractor”, requesting bid quotations from all subcontractors and suppliers and **DVBE Subcontractors/Suppliers** for the following

**Title: EL Dorado Elementary School Green Infrastructure Project ( SFUSD #11989)**

**Project Address: 70 Delta Street, San Francisco, CA 94134**

**Bid Date: Dec 16, 2025, at 2PM**

Project Description:

The scope of this project includes the creation of bioretention systems and the removal and replacement of existing plantings. The work includes, but is not limited to, the following:

- Removal of existing asphalt, subbase, soil, and selective site furnishings for the installation of bioretention areas.
- Rerouting of roof-water leaders (RWLs) to the bioretention areas.
- Rerouting of storm drainage to the bioretention areas.
- Installation of concrete stem walls and curbs within the bioretention areas.
- Installation of a campus-wide irrigation system.
- Installation of campus-wide landscaping.
- Installation of play equipment and safety matting, including subbase preparation.
- Installation of OPCI site furnishings.
- Salvage and relocation of existing site furnishings, planter boxes, and selective trees.
- Installation of pickleball and volleyball equipment, and restriping for basketball, pickleball, and volleyball courts.

Trade Includes:

**Site Demolition, Site Concrete, Play Equipment, Earthwork, Landscape, Site Utilities**

**Please email us your Bid Proposal to [lauren@marconcompany.com](mailto:lauren@marconcompany.com) at least 4 hours prior to the Bid Opening.**
