

Requesting ALL QUALIFIED AND/OR CERTIFIED LBE's: The LBE subcontracting requirement can only be met with CMD certified San Francisco Micro and Small-LBEs which include the subcontracting participation breakdown. The Local Business Enterprise (LBE) subcontracting requirement is 11%. PUC-LBEs and SBA-LBEs cannot be counted towards meeting the LBE subcontracting requirement.: We encourage subcontractors quotes to utilize other LBE firms through second tier subcontracting, owner-operated equipment, or purchase of materials. In addition, all Material/Equipment Suppliers LBE-DBE are requested to forward bids for the following project. We also encourage non-LBE subcontractors/sub-tiers/material suppliers to submit bids.

San Francisco International Airport
Design & Construction
East Field Water Main Improvements
CONTRACT NO. 8571A.
Bid Date: January 15, 2026

The project is also subject to have all subcontractors listed in the bid with a DIR Number per CA Labor Code Section 1725.5.

The work will consist of the following area at San Francisco International Airport. The East Field Water Main Improvements Project (Project) will replace piping between the US Coast Guard and Superbay with new pipelines along North Access Road. This Project will remove most potable and fire water mains from the Airfield in the East Field and install new laterals to each building from North Access Road.

The work will consist of the following and Mitchell Engineering request Subcontractors/Vendors and Trucking proposals in the format of the bid form for:

- | | |
|--------------------------|----------------------|
| - Traffic Control | - Jack & Bore |
| - Trucking | - Hazardous Waste |
| - Pipeline Material | - Paving |
| - Concrete Catch Basins | - VCP Sewer |
| - Television Inspections | - Slip Lining |
| - Horizontal Drilling | - Environmental Work |

Contract Documents, plan holders lists, Addenda, and Bid results will be available to download at no cost from the Airport's e-Procurement portal. The Airport may provide Contractor with 3D models, Computer-aided Design Document files, and other digital data (collectively Digital Data) for the limited purpose of facilitating Contractor's Work and/or document preparation.
